MISSOURI LAD BY A NOSE.

COOK'S COLT WINS THE FAIR GROUNDS' FEATURE FROM THE ENGLISHMAN.

Besterling, the Favorite, Is Unplaced-Whisk Broom Is Defeated---Jockey Lloyd Is Suspended-Trotter's Charges.

New Orleans, La., February 2.-The New St Charles Motel Handicap, having a net value of \$2,130 to the winner, the feature race at the Fair Grounds this afternoon, was won by Fred Cook's Missouri Lad, which defeated The Englishman by a narrow margin in the very last stride The improvement shown by these two horses was sudden and both were practically neglected in the betting. As a contest the race proved all that was expected. There was a general shifting of positions during the mile and a quarter trip and at one stage or another all but Marvin Neal and Don't Ask Me seemed to have some kind of a After Dromio got through setting the pace for the first six furlongs, St. Valentine moved up and took the lead and on the turn out of the backstretch showed in front a couple of lengths. The Englishman, which had been running in a contending position, then made his effort. Entering the homestretch he caught and passed St. Valen-He had a commanding lead at the furlong post, but began to tire and Missouri Lad, coming fast, gradually wore him down. Besterling, the favorite, hard ridden all the way, was unable to improve his position.

After The Englishman's reversal of form the stewards suspended jockey Lloyd, who rode the horse on Friday, pending an investigation. Ed Trotter, owner of The Englishman, entered a complaint with the stewards that Alphonse Fontlieu, the bookmaker, had made insinuations to the effect that he was respensible for the bad race run by The Englishman yesterday. Trotter asserts that Fontlieu laid against his horse to show on that occasion, while he wagered heavily on him today. Evidently Trotter made some sort of an accusation against Lloyd.

The investigation of the Jack Martin ride on Orly still hangs fire and goes over until next week. Martin, it is announced, has decided to ride only occasionally for the remainder of the winter-just to keep him in condition, he says.

The result of the two-year-old race also proved a surprise, Whisk Broom, the 1 to 2 favorite, being beaten by both Montbert and Rubywick. After the withdrawal of E. M. Fry the race appeared little better than a walkover for Whisk Broom. When it came to the running, however, she was not there and was unable to get away form Montbert, which drew away in the final quarter, winning

The racing at the Fair Grounds today marked the end of the third period of the Crescent City Jockey Club's meeting. The third period of the season at City Park will begin Monday. The Fair Grounds officials bave all gone to Hot Springs for the first two weeks of the meeting which is to open Menday.

Two car leads of borses left for Hot Springs to night. Among them were the stables of Kay Spence. W. Gehring, Phil King, J. Himy, A. Jenes and W. Ham.

ABSURD ATTEMPTS AT "REFORM."

"A provision in the Gambling Bill before the Legislative Council of Victoria, Australia, aimed at prohibiting newspapers from publishing the betting on races, has been struck out of the says the London Sporting Life.

A similar amendment to the present law forbidding betting on races in the state of Missouri, was introduced to the Legislature at Jefferson City last and just now there is in the hands of the Judiciary Committee of the City Council an ordinance intended to make such publications unlawful in Chicago.

That such measures are unconstitutional is hardly to be questioned. In fact the legal department of the city of Chicago has so advised the local legisla tive body. The ordinance, it is expected, will come up for discussion in the Council tomorrow night.

The Missouri Legislature has given no serious attention to the matter. It has not been heard of since it was introduced. If it has gone into the hands of a sensible committee, it is not likely to come out again.

EUDORA WINS THE CALIFORNIA OAKS. JERSEY LADY WINS THE ASCOT OAKS.

Big Crowd Sees the Racing at Oakland, the Bad Weather Notwithstanding.

Oakland, Cal., February 2 .- The California Oaks was won today by H. R. Schaffer''s Eudora at odds of 6 to 1 over the abbreviated distance of one mile and a sixteenth. The starters numbered an even dozen and the race was the best contest of any that had been decided in the history of the stake. The three public choices, Grace G., Miss Officious and Dollie Dollars followed the winner and finished ex actly in the order in which they were favored in the

Despite the unfavorable weather and track conditions that prevailed during the afternoon 10,000 race goers were attracted to the Emeryville course by the splendid card that was offered up for their delecta-tion. In addition to the big fixture the program contained a handicap at a mile and a sixteenth, which engaged a superior lot of horses, including the crack Tony Faust. This three-year-old was unequal to the tremendous weight concession asked of him by the handicapper and met defeat. The victory Beechwood in this race at 20 to 1 was the big upset of the day.

A half dozen fast sprinters made up the field for the race over the Futurity Course in which Mary after many failures, was finally successful.

Walter Miller scored one victory, two seconds and two thirds. Sandy scored three winning mounts. lucrative odds.

PROMISING MOUNTS FOR JOCKEY LYNE.

Lord Carnarvon Has Some Splendid Two-Year-Olds—Something About His Stud.

Lord Carnarvon, in whose colors it is understood that Laxien Lyne is to do some riding when he goes to "the other side" this year, has five ϵ states in England-one in Hampshire, one in Derbyshire, in Nottinghamshire and two in the west of England. At Highelere, in Hampshire, his breeding stud, headed by the stallions Robert le Diablo and The stud was formerly kept on the estate in Derbyshire, but was removed to Highelere some five years ago. one of the best appointed establishments in all of England, and it is claimed that the mares and foals at Highelere have done remarkably well. There is ich chalk in the soil, affording pasturage of the kind which is regarded as having bone forming The water is drawn from a spring three hundred feet deep. It is pumped by an oil engine into a tank of 125,000 gallons capacity and then piped to the paddocks, much the same as on breeding farms in this country which have no brooks coursing through them.

Lord Carnarvon's young horses are broken at the farm in the fall of their first year and sent in January of their second year to Whatcombe to be trained. Among his two-year-olds this year are several of Mauvezin's first crop and great expectatrained. tions have been formed regarding them. If Mauvezin imparted to them the speed he had when in training, Lyne can consider himself fortunate if he is asked to ride them, for they will assuredly carry him to victory. It is said that Lord Carnarvon onsiders his juvenile division for 1907 the best that has ever left Highelere.

JOCKEY BIRCH'S INJURIES.

The case of jockey Arthur Rirch is attracting wide attention among the men of medicine and surgery in England. Ten weeks ago Birch was thrown at the open ditch in the steeplechase course at Gatwick. His mount fell woon him. He was taken to a room in the official quarters on the course and put to bed. He was unconscious for hours and it was expected that he would die, but he revived consciousness and has since confined to bed, lying in one position. His back is broken and consequently he has no use of his limbs. He has been visited by scores of physicians. Sir Victor Horsley saw him on January 15 and declared the case the worst of its kind that he had ever seen. He diagnosed it as dislocation the vertebrae and rupture of the spinal column. He says an operation is out of the question at present and advised against an attempt to remove the injured jockey to his home for at least a

ANSWERS TO QUERIES.

W. H. A., St. Louis, Mo. The wager on Don't Ask Me was a draw.

Tip M., Cincinnati, O. The stipulation that Tom Dolan was to win as a condition precedent to the wager on Monere made the bet a draw.

W. H. D., St. Louis, Mo. Kercheval ran second to Minnie Adams in the City Park Derby at New Orleans, but was not Mr. Corrigan's property.

O. N., St. Louis, Mo. You should have been paid on J. W. O'Neill at the rate quoted. The Don't Ask Me bet was a draw and the J. W. O'Neill bet stood straight and show.

C. S., St. Louis, Mo. Your place wager on the Griffin entry in race 66730 won. The chart shows plainly that there was a coupled place price as well as separate price. The only effect of the stipulation that Wilmore was to go was that if he had been scratched the bet would have been a

Los Angeles, Cal., February 2.—The card at Ascot Park today was one of the best of the meeting and the racing was exciting. STREETT PLANS RETURN TO THE EAST

Can Do Better There with a Few Horses Than with a Big String in the West.

New Orleans, La., February 2 .- "I think I will go east next season," said "Doc" Streett a few days ago, in his slow, ruminating way. "The west is all right. I have made money out here, but in opinion a man to be successful in western racing, where the purses and stakes are not as big as they are in the east, ought to have only a small stable of workmanlike material. He cannot afford to carry a great deal of dead timber. As I have been situated, I have been loaded up with castoffs from Mr. Keene's stable, most of them cripples, and I have had to earry along a big lot of horses, twenty to thirty of them, on the off chance that after a long period of waiting I might get two or three into winning form. That takes away a good bit of the pro-nts when you really do get hold of a good one. For example, during the past year there has been no time when my stable has numbered less than twenty head, and from that up to thirty-one. gan out of all this bunch is the only winner of any consequence that I have had. I believe that a man might do better with one horse like Toboggan out east than he could do with a stable full of po bilities here. In fact I think I made a mistake that I did not go east with Big Ben, after I got him patched up and when he was at his best, as I be-lieve that I could have won some of the sprinting handicaps with him out there."

Streett's idea of going east recalls to mind that

some of his greatest turf triumphs were earned on the eastern turf. Twenty years ago he was a factor in eastern racing, usually managed to have one or more good horses in training, and it is needless to say also managed to win good races with them. Among a long list of smart performers that Streett Amoig a long list of smart performers that Street raced in those days were Maroon ond Niagara, both of which were just short of handicap form. The story of the beginning of the interest which James R. Keene has had in Streett in the last dozen years, to the extent of letting him have the culls of the eastern smalle to race in this section, is an interesting one. It dates back to Domino's Futurity. all the horses that Mr. Keene ever owned, and he has owned a lot of high class ones, from Dan Sparl-Spendthrift down the line, Domino was nearest his heart. This son of Himyar and Mannie Grey was one of the fastest horses that ever raced the American turf there are very few better judges of thoroughbred quality, early appreciated his possibilities. In Domino's Futurity the contention was naturally expected to be between Mr. Keene's colt and Dob representative, and for which the Tammany chiefthin paid \$20,000.

In this Futurity Streett started a little bit of a runt of a colt, Galilee, by The Bard. As is well known, the trio finished so closely together that the judges could scarcely separate them. Dobbins had the rail, Galilee was in the middle and Domino on the outside. Sims, who rode Dobbins, apparently had the race won a hundred yards out, but Galilee and Domino both closed on him with tremendous rushes. Galilee was so much smaller than the other two contenders that he was lost to view between them, and many of the spectators thought that on this account a Futurity which ought to have gone to Streett went to Keene, but of course the matter of the size of the horses in judging a finish cuts no figure and there is little doubt but the placing of the officials was correct. "Mike" Dwyer, who was in partnership with Mr. Croker at the time, and Mr. Croker, were both dissatisfied and wanted a return match, to which Mr. Keene, with the sportsmanship in racing that has always characterized him, was agreeable, but the details of the match could not be arranged satisfactorily all around and it dropped.

That Streett with a colt considered to be little more than a selling plater should have come so near to "upsetting the beans in the platter" appealed strongly to Mr. Keene, ever ready to appreciate merit either in racehorses or knowledgeable men who handle them. He went out of his way to congratu late Streett, and from that time on has had no little confidence both in the "Doctor's" judgment of horses as well as his training ability.

Streett does take Toboggan and one o other fair performers east next summer, he will not be there long until racegoers will know that be is areund.

It is understood that jockey Mountain has agreed to ride for C. R. Ellison when he is able to return to the saddle.

TROUBLE AT HOT SPRINGS.

OAKLAWN MEETING WILL OPEN MON4 DAY, BUT IN UNCERTAINTY.

County Judge Sumpter Is Unrelenting-Failure to Divide Dates at the Bottom of It All.

Hot Springs, Ark., February 2.-Everything is in readiness for racing at Oaklawn and the meeting will be opened Monday as announced, but whether it will continue for the scheduled sixty days is a subject on which a prediction had best not be ventured.

There is trouble here and lots of it. The situation in the legislature at Little Rock, which seemed most grave a week ago, is now the least of the obstacles in the path of the Hot Springs Jockey Club. The general public, which includes the busiess interests, is not opposed to racing or to betting. The public wants racing and betting, but many of them do not want it all at one

Therein lies the basis of the row. The politicians have taken a hand and, without meaning to impugn the motives, acts or orders of Judge Sumpter, there is a well founded belief that had there been a division of the dates with Essex Park the County Judge would probably not have instructed constable Smith to make preparations to suppress betting at Oaklawn Monday. It is but another illustration the all-or-nothing policy of the boss gamblers that has killed every good game they have had; the same policy that has done more to bring racing into disfavor in certain localities than maniacs, commonly designated as reformers, could have accomplished in ages.

The track is drying fast from its recent drenching and when the horses are called to the post for the opening race it will be as fast as ever. Over 800 orses are quartered at the track and vicinity and many more would have been here only for the lack stable room. There are plenty of riders, but no top-notchers. D. Austin, Aubuchon, G. Swain, J. J. Walsh, C. Schilling, Cherry and Beauchamp are considered the best. Beauchamp, who has been riding abroad the past three seasons, got in this morning from Cincinnati. He can scale at 103 pounds and will probably be much in demand.

The most prominent stables here are those of P. Hayes, J. S. Hawkins, J. C. Milam, H. R. Baker, Henry McDaniel, Chinn & Forsythe, P. T. Chinn and C. E. Mahone. Many horsemen are of the impression that the two-year-olds here are the best collection ever gotten together in the west, and predict that there will be many sensational performers in the lot.

CHARGES ARE MADE AGAINST DEVLIN.

Gamara's Grooms Say Trainer "Doped" the Horse for a Betting Coup.

New Orleans, La., February 2 .- An interesting aftermath to the reported betting coup on Gamara, when he won a race on January 25, developed today when two of the stable hands that exercised and rebbed the horse made a complaint to the stewards that Gamara had been "doped" by J. P. Devlin, his trainer, on the day he won and that the stimulant had been withheld from him in his next out on January 31,
The complaint came as the result of an alleged

given a share of the winnings which they say was promised. Gamara is owned by local people who acked him in the Covington poolrooms the day he won. Devlin was called before the stewards and questioned regarding the alleged "doping." entered a denial and an investigation was ordered. The complainants were under the influence of drink at the time they made their statements and for that reason they were ordered to bring in their evidence next week.

KEEP AN EYE ON THIS ONE.

Lexington, Ky., February 2 .- Out of Sight, Fred old bread winner, has had three successive foals at Marchmont Farm and John Ireland now has a two-year-old out of her in training at Oaklawn which he regards very highly. When Out of Sight quit the turf Foster sent her up in Ohio and seemingly forgot all about her, at least he let a large feed bill accumulate against her. This caused her to be offered for sale on a court judgment. James Hukill, the manager of Marchmont Farm, saw advertisement and he went to Ohio and bought her at a bargain. The foal she was then carrying, a filly by Fabulous, sire of Ace, is now in the stud at Marchmont as a three-year-old. She showed good speed as a yearling, but she was ailing as a twoyear-old and so was not trained at that age. The two-year-old Ireland has out of her at Oaklawn is a filly, by the good English racehorse Carlton Grange. Out of Sight landed more than one one wager for Frank Shaw. He backed her with confiracing stable.

MILLER HENDERSON'S GOOD ONE.

Lexington, Ky., February 2.—Reports from Louisville are to the effect that the two-year-old black filly, by Ogden or Planudes, out of Lambent, can run rings around anything else in the stable of Miller Henderson. C. F. Grainger paid only \$350 for this filly as a yearling last summer and presented her to Mr. Henderson, his nephew. Lambent has already produced a good winner in Crowshade,

Winner—B. f, by Solitaire II.—Lucille II. (trained by J. McGovern).

Went to post at 1:47. At post 5 minutes. Start good. Won easily; second driving; third the same. Albion II. showed a great flight of speed throughout and never left the result in doubt, winning as his rider pleased. Sweet-taire closed an early gap and, in a long stretch drive, finished resolutely, nipping out Connie M. in the last two strides. The latter ran well, but, under punishment, tired fast in the iast fifty yards. Snapdragon showed speed, but was thoroughly beaten in the last sixteenth. The winner was reached—668872Booger Red, 112.

Winner—Ch. c, by Dieudonne—Court Dance (trained by R. I. Miller).
Went to post at 2:45. Off at once to a good start. Won driving: second and third easily. Round Dance was saved early and moved up fast after turning for home and, challenging gamely, gradually wore down Judge Nelson in the final strides. Judge Nelson raced closely with Belchamber, had him soundly beaten just before entering the last quarter and appeared the winner, but tired at the end when challenged. Treasure Seeker closed up ground gradually next to the rail in the final quarter and finished gamely. Belchamber showed superior early speed, but failed to stay. Love of Gold got away poorly, but steadily improved her position and got up right at the end of a long stretch drive. Abbey broke and ran green and was badly outpaced in the early running, but closed a big gap, finished with a rush and was best. Jeremiah beat the barrier and helped force the bace, but succumbed right at the end of a game closing struggle. Wilmore held a small lead to the final sixteenth, where he quit, as usual. Exchequer, not keyed up yet, showed superior speed, but quit at the end. St. Avon ran a fairly good race.

M. broke slowly and was skillfully reserved within striking distance to the stretch, then made good decisively on the outside. Judge set a stiff pace from the start and drew out at the half into a long lead, but tired finally. Swagger was very sore, but maintained a place in forward contention throughout. Dr. Sherman, away very badly, closed an immense gap and just failed to get up for third place. Santa Ray retired early as if stale. Hersain quit after a strenuous early effort with Judge. Winner—B. f, by Plaudit—The Hoyden (trained by F. W. Doss).
Went to post at 2:59. At post 4 minutes. Start bad. Won easily; second and third driving. Eudora outbroke the others and set the pace in the early running and, after boing taken back, moved up on the inside in the stretch and outstayed Grace G. decisively in a long closing drive. Grace G., from a good start, was reserved for the first half under a pull, then established a long and seeminly winning lead on the last turn, but tired finally in a heartbreaking struggle. Miss Officious broke in the deep going of the niside and was shuffled to the rear, then closed a big middle gap and menaced the leaders in the stretch, but tired right at the end. Dollie Dollars received a flatfooted start and had to be pulled up repeatedly because of being pocketed and was finally eased up when a quarter from the finish. La Rose was prominent for a mile, then tired. Pasodella made up considerable ground in the last half. Kogo quit badly after going a good six furlongs. Mabel Hollander retired early.

Winner—Ch. c, by Algol—Lady English (trained by R. R. Rice, Jr.).

Went to post at 3:24. At post 3 minutes. Start fair. Won in a canter; second driving: third the same. Governor Davis races very inconsistently, from a striding start was outpaced badly for the first quarter, but closed up rapidly and dashed into a long lead in the stretch and won off. Alaric, hopelessly outpaced for six furlougs, closed an immense gap and caught the leaders tring at the end. Orchan, another acrobat, broke slowly and lost much ground on the first turn, but go into forward contention at the half and fell back at a critical moment and then came again. Watchful, hard held early, nearly fell after jumping on the leaders, then closed up quickly, but tired in the last furlong of a good race. Jackfull showed superior early speed and was palpably short. The winner was entered for \$600; no bid.

Scratched—66753*Bogum, 94; 66752*Hooligan, 111.

Went to post at 3:53. At post 4 minutes. Start bad. Won easily; second driving; third the same.
Beechwood, from a lucky start, was reserved in close pursuit of the pacenaker to the stretch, where he drew out and won going away after stalling off the favorite's challenge. Tony Faust had a flying start and ran within early striking distance of the leaders and moved up fast in a game, but unavailing, stretch challenge. Dorado, virtually left, trailed for half the journey and finished with a sensational half-mile sprint. Dusty Miller, after forward racing for six furlongs, quit badly. Hector showed speed, but failed to stay. Clamor was outclassed.

Montbert broke with the leaders today and carried Whisk Broom along at a heartbreaking clip around the far turn, yent a bit wide on the turn into the homestretch, but drew away again when straightened out and was doing her best all of the last sixteenth. Rubywick, on the extreme outside in the run down the backstretch, dropped back in the first furlong, but came again in the last quarter and finished with a rush. Whisk Broom showed the most speed for a quarter and then tired under her weight and quit. Bitter Gold tired.

Tileing was fighting for his head and, under restraint until well into the homestretch, sprinted away from

the others and was only cantering at the finish, went farther than any horse in the race and was on the outside for the entire trip. Granada saved ground on every turn, finished on the inside, where a hard path had been golled and easily disposed of Glamor in the last furlong. The latter set the pace under restraint, but tired after going six furlongs. The others were beaten of. Scratched—66509°St. Valentine, 107.

Went to post at 3:45. At post 1 minute. Start good. Won easily; second and third the same. Ternus was placed in the early stages and afterwards rated in behind Foreigner until well into the homestretch, then finished with a rush and won going away. Foreigner ran a good race, but was made entirely too much use of in setting the pace and tired when challenged. Flavigny came fast in the last quarter after going very wide on the turn into the homestretch. St. Noel ran fairly well. Agra had a rough trip, was repeatedly bumped into and cut off in the first quarter and finally crowded out of any chance. Society Bud bolted on the first turn. Dele Strome ran poorly. Gladiator quit under a drive. Gauze saved ground all the way, but could never get up. The winner, entered for \$800, was run up and bought by P. M. Civill for \$1,208. Foreigner was claimed by F. W. EXPERT HANDICAPPERS AND

We positively guarantee to make you a winner on our selections if you will play as instructed. We have originated a method of our own for Turf Speculation, combined with Expert Handleapping such as we are capable of giving you, that makes it next to an impossibility for you to lose.

To prove to you that we are sincere and have

next to an impossibility for you to lose.

To prove to you that we are sincere and have the utmost confidence in our proposition we back it up with a money guarantee. We give each client a straight, clean-cut contract to return double the amount they pay us for the selections if they can show a loss at the end of a stated period on our selections played as instructed. This is a proposition that no other Information Bureau in the country offers you. They guarantee in many cases to return the money you pay them, but they never stand to lose anything themselves, which is proof they lack faith in their purposition. We have the money to the level. If we cannot give you value received we do not want your money.

WONDERFUL

The NOXALL SYSTEM (copyrighted) is the greatest money maker ever devised. It goes on WINNING steadily week after week, year after year. It is as GOOD on a Winter track as during the regular season. Are you a LOSBR? If so, it will certainly pay you to look into one of the greatest systems the turf has ever known. It has SOLVED the problem of "How to beat the races."

The NOXALL SYSTEM is not a scheme. A standard publication in book form. It is the ONLY GUARANTEED SYSTEM sold. The NOXALL SYSTEM side. The NOXALL SYSTEM sold. The NO

TRACK, POOLROOM OR HANDBOOK.

It can be played on any track where there is racing. Played at the TRACK, POOLROOM or HANDBOOK with equal results. Select your plays from the entries and settle next day on newspaper

one menties and settle next day on newspaper odds.

This system has received nothing but favorable comments from those who have purchased it. I am continually receiving unsolicited testimonials expressing great satisfaction at the results. It is a positive WINNER. The system does not play every race, but only ONE or TWO plays a day on the average. No tips, handicapping or "doping" required. No other expense attached to the system when once you have purchased the book. Not complicated, but easy to operate. BIG RESULTS obtained from SMALL CAPITAL. UNLIKE any other system; new theory; new thoughts; now ideas, making the NOXALL SYSTEM the GREATEST SYSTEM ever devised. This system will do more for you than all the selections, information, handicapping and tips combined. A positive fact.

Then you will know all about the particulars and what it will do for a player who follows it. This is the only system sold with a guarantee to refund your purchase money at the end of 30 days' trial if a loss can be shown. This alone precludes the NOXALL SYSTEM from being a scheme, and should convince you of our confidence in it. Investigate this wonderful system at once by writing for particulars.

series has stood the test of time and has proven one of the safest and most remunerative investments on the market. We do not profess to do phenomenal stunts or make our clients rich in one day, but we do claim that without a doubt, you can make a steady income every week by any simple method of betting, either on a progressive or flat bet basis.

WE are advocating a system of play, which we have especially devised for this series, that makes extraordinary profits every week and reduces the chances of loss to a fraction. Clients who have been using this system never had a losing week.

WHILE our one-best-bet-a-day is not very often a long shot, it is rarely less than 6 to 5. Whenever the price is below that point it is because the contenders have been withdrawn. In the past four months we have sent out only four horses at prices less than even money.

IF you want to play the races on a sound business basis, subscribe at once to our service. Delay means money lost every day. Our regular price for this service, including the system, is \$5.00 per week, but for the remainder of the
